

WCA ABC Parent Survey

Please take a few minutes to answer our survey. As a new and young Athletic Booster Club we are continuously trying to critique our activities to better serve you and your athlete in the future:

1) What do you expect from the Athletic Booster Club?

2) What is the direction you would like the future of ABC to go?

3) Do you have any suggestions for ABC to help us to do better? If so what are they?

4) Do you have any complaints or problems that you have encountered and ABC should be made aware of?

5) Would you please consider volunteering for at least a few hours? If everyone pitched in and did their share of volunteer hours...ABC would be a very strong club which is what your athlete deserves. Thanks we need your support!

Yes _____ I can commit to _____
