

The High School Principal at Westminster Christian Academy in Huntsville, AL

Westminster Christian Academy is currently a k-12 SACS accredited school with a k-12 enrollment of 642 students on two campuses. The high school enrollment is currently 221 students with anticipated growth in the next five years. The school has just opened its new Brockway campus for its Upper School. The Brockway campus is home to an academic building of 23 classrooms and a 1000 seat gym, a field house with locker rooms, a 2000 square foot weight room and offices, a practice field, a high school baseball field, the Jackie Richards Softball Field and the Earl Van Dyke Football Stadium.

Westminster Christian Academy is located in Huntsville, AL which has been recognized by several national publications as one of the top five places to live and raise a family in the United States. The Huntsville area is also recognized as one of the best places to be in regards to current economic conditions. Huntsville is home to Redstone Arsenal, NASA's Marshall Space Flight Center and the University of Alabama in Huntsville. Over the next three years, Huntsville will receive an influx of young professionals as it is one of the destinations for the government's base re-alignment process. The school feels blessed to be part of the Huntsville community.

Westminster is looking for a dynamic leader to serve as its high school principal. This person will also oversee the entire academic portion of the school as the Academic Dean and will be expected to set the academic tone for the school. This person must be an educational expert with experience in educational administration and must also have a deep working knowledge of pedagogy and curriculum. One of the unique things about our school is our emphasis on teaching and discipling. The high school principal/academic dean must be a person who believes in discipleship and is a model and example of this to our entire community. This person must be willing to lead in these areas as well as hire and develop faculty who teach and disciple students. This person must be able to build and develop relationships with parents, students and faculty and create an environment that builds unity and leads to excellence. This position will work directly with the head of school in all academic areas in leading the school into the future.

Westminster offers competitive salary and compensation packages.
