

DISCIPLESHIP

We're committed to providing strong Christian discipleship to all students at Westminster because their emotional and spiritual well-being is just as important as their academic growth. Our teachers, coaches, and staff are Christians who care deeply about their students and help them grow as followers of Jesus. Discipleship helps our students flourish in an environment of grace as they mature into adults and wise decision-makers.

CHAPEL

A chapel service is held every week for students and faculty. This is a time for

worship that includes music, prayer, and a message to help students grow in faith and character. Students who want to serve during chapel can help lead worship through Chapel Team.

ADVISORY GROUPS

Upper School students participate in advisory groups, where a staff member and a small group of students meet to talk about what's going on in their lives and discuss important topics. This gives students adult advocates and role models apart from their parents to help them make decisions and navigate difficult situations.

SERVICE

Students can put their faith into action by serving others close to home and abroad. They volunteer with local charities throughout the year including Rose of Sharon Soup Kitchen, Kids to Love, and the Downtown Rescue Mission.

Students can also help provide clean water to areas in need through Just One Africa and connect with children in Kenya through the HODI Project or Valley Light Children's Home.

SERVICE

- Loving God and having a heart for others

- Sharing gifts and talents

- Looking to lead through faith and love

- Having a discipleship mentality

- Pursuing and promoting a Christian community

- Humility amidst diversity and acting as servant-leaders throughout life
